**Gary Colbert Appointed as President and Chief Operating Officer,
Evergreen Holdings, Inc.**

IRVINE (May 20, 2009) Evergreen Holdings, Inc. is pleased to announce the appointment of Executive Vice President, Gary Colbert to President and Chief Operating Officer, effective June 1, 2008.

Mr. Colbert's extensive knowledge in the business stems from his years of experience overseeing the daily operations of the Newark re-refinery and the Company's used oil collection services. Mr. Colbert has actively led management to accomplish new market growth in the industry and has been a leader in the expansion of the state-of-the-art Newark facility, slated for early 2009.

Mr. Colbert graduated from California State University, Northridge with a B.S. degree in Environmental and Occupational Health. Prior to working at Evergreen Oil, Mr. Colbert was employed as Industrial Services Manager for Romic Environmental Services.

Evergreen has a long-standing commitment to the protection of the environment in California and has made extraordinary efforts in offering state of the art re-refining technology to other countries for a better global environment. Our affiliate company, CEP successfully markets our re-refining technology throughout the world with plants operating or under design in several countries.
